

# Speakers' Schedule

Fourth Saturday

SVFIG July Meeting

July 26, 2014

=====

## **No July BBQ**

Ting, has retired as SVFIG's July BBQ chef. Since there have been no volunteers to chair the barbeque committee, we'll make our usual trip to the Treehouse for lunch.

=====

## **[Google+ Hangout](#)**

SVFIG will participate in a [Google+ Hangout](#). The YouTube video stream should let everybody join in, while questions and comments can either be posted on Google or emailed to the [SVFIG email list](#). The URL for the video stream will be posted on the Hangout page and emailed to members of the SVFIG list when it is started. Material with potential intellectual property conflicts will not be streamed. (A subscription to Google+ is not required to view the video.)

=====

SVFIG meets on the fourth Saturday of each month in 2014 with the following exceptions:  
November & December - Meetings will be held on the third Saturday.

=====

If you are planning to attend the meeting, please RSVP on [Meetup.com](#). If you are not planning to attend, there is no need to RSVP.

=====

## **Notes for first-time attendees:**

- 0) Some SVFIG's meeting topics may not pertain directly to Forth. You are welcome to skip any parts of the program that don't interest you!

- 1) Print a map so you can find the venue easily. If you get lost, call Kevin Appert at 650/678-0532
- 2) Browse the [additional online information](#).
- 3) The suggested parking lot is near the intersection of [Santa Teresa Street and Lomita Drive](#). You may park in any "A" or "C" designated areas. There is no need to feed the meter on the weekends. Do NOT park in any place marked with 24/7 restrictions! Most other places are okay on Saturdays. **When in doubt, read the signs!**

=====

This document is the Speakers' Schedule and coming attractions only. Other meeting details will be included in the SVFIG email announcement that will be archived online [here](#).

Links, PowerPoint slides, PDFs, meeting videos, and source files from previous months' meetings, including those from Forth Day 2013, are posted on the [SVFIG website](#).

=====

#### **09:45 --- Coffee and a Chat**

=====

#### **10:00 --- Irreducible Complexity --- CH Ting**

"The STM32F407 chip and the software development examples for the STM32F4-Discovery Kit represent complexity to the extreme. I hope to peel back the dense fog with stm32eforth720. eForth now executes from Page 0 of the virtual memory, the dictionary can extend into the RAM memory space, and the debugged code can be saved to flash memory for turnkey applications."

=====

#### **11:30 --- Lunch**

The [Treehouse](#).

=====

#### **13:00 --- What's New?**

Every month! Bring some material!! Be on the lookout!!!

=====

#### **13:30 --- Data Loss Prevention & Recovery Methodologies --- John Glauvitz**

=====

#### **14:15 --- Ad Hoc, Ad Lib, Non Sequitor**

We always find something to talk about.

=====

#### **15:00 --- Break**

=====

### **15:15 --- Planning**

We'll begin planning this year's Forth Day. We'll think about a project for the 2015 Maker Faire. We'll plan what we'll need to plan.

=====

### **16:00 --- Clean Up and Adjourn**

=====

We try to stick to the schedule, but sometimes a presentation runs a little long. If you're desperate to see a particular presentation at a particular time, please mention it and we'll do our best to accommodate your needs.

---

The schedule above may be reformatted or line-justified, but please transmit it verbatim or not at all. A link to this page is preferred.

---

No Newsgroup posts or other media distribution please!

---

This schedule document is produced by Kevin Appert, the SVFIG Program Chair. It is distinct from the SVFIG and FIG websites which are produced by the SVFIG Webmaster, Dave Jaffe. Your comments, corrections, and suggestions are always welcome.
