# Speakers' Schedule

## SVFIG October Meeting

October 25, 2014, Fourth Saturday

=====

### [Google+ Hangout](#)

SVFIG will participate in a [Google+ Hangout](#). The YouTube video stream should let everybody join in, while questions and comments can either be posted on Google or emailed to the [SVFIG email list](#). The URL for the video stream will be posted on the Hangout page and emailed to members of the SVFIG list when it is started. Material with potential intellectual property conflicts will not be streamed. (A subscription to Google+ is not required to view the video.)

=====

SVFIG meets on the fourth Saturday of each month in 2014 with the following exceptions:  
November (Forth Day) & December - Meetings will be held on the third Saturday  
SVFIG meets on the fourth Saturday of each month in 2015 with the following exceptions:  
November (Forth Day) & December - Meetings will be held on the third Saturday

=====

If you are planning to attend the meeting, please RSVP on [Meetup.com](#). If you are not planning to attend, there is no need to RSVP.

=====

### **Notes for first-time attendees:**

- 0) Some SVFIG's meeting topics may not pertain directly to Forth. You are welcome to skip any parts of the program that don't interest you!
- 1) Print a map so you can find the venue easily. If you get lost, call Kevin Appert at 650/678-0532
- 2) Browse the [additional online information](#).
- 3) The suggested parking lot is near the intersection of [Santa Teresa Street and Lomita Drive](#). You may park in any "A" or "C" designated areas. There is no need to feed the meter on the weekends. Do NOT park in any place marked with 24/7 restrictions! Most other places are okay on Saturdays. **When in doubt, read the signs!**

=====

Meeting details beyond this agenda will be included in an SVFIG email announcement and archived [here](#).

Links, PowerPoint slides, PDFs, meeting videos, source files, meeting notes, and links from previous months' meetings, including those from Forth Day 2013, will be posted on [here](#).

=====

**09:45 --- Coffee and a Chat**

=====

**10:00 --- Forth Day Planning --- All Assembled**

There'll be some changes to Forth Day this year!

- Since Ting won't be catering, we'll need to decide on a Forth Day lunch alternative.
- We may hear about some plans and get sneak previews of Forth Day presentations.
- We're hoping to have a big screen for remote participant chat or email to make the Hangout more interactive.

=====

**11:30 --- Lunch**

The [Treehouse](#).

=====

**13:00 --- What's New?**

Every month! Bring some material!! Be on the lookout!!!

=====

**13:20 --- Forth Haiku Comments Using Disqus + Blog --- Brad Nelson**

"Disqus provides an easy to use mechanism to add user feedback to a website. It proved easy to add to the Forth Haiku site, allowing me to add a much needed way for users of the site to communicate and provide feedback. I'll talk about why this was a good fit, show how easy Disqus is to connect to a site, and demo the revised site."

=====

**14:20 --- Ad Hoc, Ad Lib, Non Sequitor**

We always find something to talk about.

=====

**14:40 --- Break**

=====

**15:00 --- Implementing Forth on the RCA 1802 --- Harold Rabbie**

Harold will discuss porting Forth to this 40-year old resource-starved processor architecture. This will be an expanded version of his upcoming Forth Day presentation.

=====

**16:00 --- Clean Up and Adjourn**

=====

We try to adhere to the schedule, but sometimes a presentation runs a little long. If you're desperate to see a particular presentation at a particular time, please bring it to our attention and we'll do our best to accommodate your needs.

---

The schedule above may be reformatted or line-justified, but please transmit it verbatim or not at all. A link to this page is preferred.

---

No Newsgroup posts or other media distribution please!

---

This schedule document is produced by Kevin Appert, the SVFIG Program Chair. It is distinct from the SVFIG and FIG websites which are produced by the SVFIG Webmaster, Dave Jaffe. Your comments, corrections, and suggestions are always welcome.
