SVFIG January Meeting – Fourth Saturday

January 25, 2014

=====

[Google+ Hangout](#)

SVFIG will participate in a [Google+ Hangout](#). The YouTube video stream should let everybody join in, while questions and comments can either be posted on Google or emailed to the [SVFIG email list](#). When it is started, the URL for the video stream will be posted on the Hangout page and emailed to members of the SVFIG list. Material with intellectual property conflicts will not be streamed.

A subscription to Google+ is not required to view the video.

=====

SVFIG meets on the fourth Saturday of each month in 2014 with the following exceptions:
We may man the SVFIG table at Maker Faire in lieu of the May meeting.
Meetings in April, November, and December will be held on the third Saturday.

=====

If you are planning to attend the meeting, please register on [Meetup.com](#). If you are not planning to attend, there is no need to register.

=====

NOTES FOR FIRST-TIME ATTENDEES:

- 0) Some SVFIG's meeting topics may not pertain directly to Forth. You are welcome to skip the parts which don't interest you!
- 1) Print a map so you can find the building easily. If you get lost, call Kevin Appert at 650/678-0532
- 2) Browse the [additional online information](#).
- 3) The suggested parking lot is near the intersection of [Santa Teresa Street and Lomita Drive](#). You may park in any "A" or "C" designated areas. There is no need to feed the meter on the weekends. Do NOT park in any place marked with 24/7 restrictions! Most other places are okay on Saturdays. **When in doubt, read the signs!**

=====

This page is for the Speakers' Schedule and coming attractions only. Other meeting details will be included in the SVFIG email announcement that will be posted online [here](#).

Links, PowerPoint slides, PDFs, meeting videos, and source files from previous months' meetings, including Forth Day 2013, are posted on the [SVFIG website](#).

=====

9:45 --- Coffee and a Chat

=====

10:00 --- More Chat

Conversation topics include Forth Day, Maker Faire, and other random topics. The webcast won't start until later in the morning.

=====

11:00 --- Kestrel Progress --- Samuel A. Falvo II

Sam will provide an update.

=====

11:30 --- Lunch

The Treehouse. They have a [website](#) - how cool is that?

=====

13:30 --- Interesting Items – Volume 19 --- Dave Jaffe

Ideas and technology! Dave Jaffe will present a few items to get us started, and then we'll go around the room.

=====

14:30 --- Porting Gforth to virtual eCOS --- John E. Harbold

John will give a status report on his work of porting Gforth to virtual eCOS.

=====

14:50 --- Break

=====

15:00 --- Forth Haiku 2.0 --- Brad Nelson

The Russian demoscene community has recently discovered Forth Haiku. Brad will exhibit some of the awesome results, as well as present a revamped website.

=====

15:30 --- Fun with Hangout

We will be trying on virtual funny hats and Groucho Glasses. If you want to join us to give a short talk, drop us a line on the email list. There might be a future speaker or two practicing "sharing the desktop" and such.

=====

16:00 --- Clean Up and Adjourn

=====

Do we try to stick to the schedule? Yes, most of the time. But, sometimes a presentation runs a little long. If you're desperate to see a particular presentation at a particular time, please mention it and we'll do our best to accommodate your needs.

The schedule above may be reformatted or line-justified, but please transmit it verbatim or not at all. A link to this page is preferred.

No Newsgroup posts or other media distribution please!

This schedule document is produced by Kevin Appert, the SVFIG Program Chair. It is distinct from the SVFIG and FIG websites which are produced by the SVFIG Webmaster, Dave Jaffe. Your comments and corrections are always welcome.
