

Speaker's Schedule

>>>>> Third Saturday <<<<<

SVFIG March Meeting

April 19, 2014

=====

[Google+ Hangout](#)

SVFIG will participate in a [Google+ Hangout](#). The YouTube video stream should let everybody join in, while questions and comments can either be posted on Google or emailed to the [SVFIG email list](#). The URL for the video stream will be posted on the Hangout page and emailed to members of the SVFIG list when it is started. Material with potential intellectual property conflicts will not be streamed.

A subscription to Google+ is not required to view the video.

=====

SVFIG meets on the fourth Saturday of each month in 2014 with the following exceptions:
May - SVFIG is planning to get together at the Maker Faire in lieu of a meeting.
November & December - Meetings will be held on the third Saturday.

=====

If you are planning to attend the meeting, please RSVP on [Meetup.com](#). If you are not planning to attend, there is no need to RSVP.

=====

Notes for first-time attendees:

- 0) Some SVFIG's meeting topics may not pertain directly to Forth. You are welcome to skip any parts of the program that don't interest you!
- 1) Print a map so you can find the venue easily. If you get lost, call Kevin Appert at 650/678-0532

- 2) Browse the [additional online information](#).
- 3) The suggested parking lot is near the intersection of [Santa Teresa Street and Lomita Drive](#). You may park in any "A" or "C" designated areas. There is no need to feed the meter on the weekends. Do NOT park in any place marked with 24/7 restrictions! Most other places are okay on Saturdays. **When in doubt, read the signs!**

=====

This page is for the Speakers' Schedule and coming attractions only. Other meeting details will be included in the SVFIG email announcement that will be archived online [here](#).

Links, PowerPoint slides, PDFs, meeting videos, and source files from previous months' meetings, including Forth Day 2013, are posted on the [SVFIG website](#).

=====

10:00 --- Coffee and a Chat

=====

10:30 --- Arduino 101 Tutorials in Forth --- Dennis Ruffer

Dennis has had a breakthrough in translating the sketchy ARD101 tutorials into Forth, following up on his [February effort](#).

=====

11:30 --- Lunch

The [Treehouse](#).

=====

13:00 --- What's New?

Every month! Bring some material!!! Be on the lookout!!!

=====

13:30 --- Chuck's colorForth on the Web --- Brad Nelson

Brad will present Chuck's Colorforth running via the Bochs emulator and PNaCl (Portable Native Client) on a webpage.

=====

14:30 --- Break - The webcast will end at this time.

=====

14:44 --- Bach's Cantatas --- CH Ting

"During the past month, I searched YouTube exhaustively for all the performance videos of Bach's cantatas. I downloaded thirty of them and added German and Chinese subtitles. I will talk about this effort and show some examples. I will also show what is on the [Bach Cantatas Website](#). The Chinese translations I did on all cantata texts have been published there as well."

=====

16:00 --- Clean Up and Adjourn

=====

We try to stick to the schedule, but sometimes a presentation runs a little long. If you're desperate to see a particular presentation at a particular time, please mention it and we'll do our best to accommodate your needs.

The schedule above may be reformatted or line-justified, but please transmit it verbatim or not at all. A link to this page is preferred.

No Newsgroup posts or other media distribution please!

This schedule document is produced by Kevin Appert, the SVFIG Program Chair. It is distinct from the SVFIG and FIG websites which are produced by the SVFIG Webmaster, Dave Jaffe. Your comments and corrections are always welcome.
