

Old SVFIG Contacts

The contact information listed here is quite old - telephone numbers and email addresses may have changed. In addition, several colleagues have passed away.

Please help keep this page up-to-date by reviewing your contact information.

Are you still available for the role listed?

Do you have another email address which you would like to use instead?

Do you have other areas of expertise you would like listed?

Do you want your email listed in "unclickable/unspamable" form to defeat harvesting by spammers? (Example: forth-at-jps.net)

Would you like to be dropped from the listing?

If you would like to present at a future SVFIG [meeting](#), please contact Kevin Appert by email: forther-at-comcast.net

Please send changes and updates to [Dave Jaffe](#).
